Trinity Industries, Inc. Elects Senior Vice Presidents

DALLAS – May 3, 2011 – Trinity Industries, Inc. (TRN) announced today that Antonio Carrillo, James E. Perry, and S. Theis Rice have been elected as Senior Vice Presidents of the Company.

Mr. Carrillo joined Trinity in 1996 as Vice President of Operations in the company's Mexico business. In 1999, he was promoted to President of Trinity Industries de Mexico. In 2005, Antonio became responsible for the Energy Equipment Group in addition to his responsibilities in Mexico. He was named Group President of the Energy Equipment Group in 2009 and was named a Vice President of Trinity in 2010. Antonio received a degree in Industrial Engineering at the Anahuac University in 1988 and a Masters of Business Administration from the Wharton School at the University of Pennsylvania in 1993 with majors in Finance and Accounting.

Mr. Perry joined Trinity in 2004 and was named Treasurer in 2005. In 2006, he was elected to the position of Vice President and was appointed Vice President, Finance in 2007. In 2010, he was promoted to the office of Chief Financial Officer. James received a Bachelor of Business Administration degree in Finance from Baylor University in 1993.

Mr. Rice joined Trinity in 1991 as the Company's Environmental Counsel. After serving in the capacities of Environmental Director, Chief Transactional Counsel, Vice President Mergers and Acquisitions, and President of the Company's European rail business, Theis was named Vice President Legal Affairs in 2002 and Vice President and Chief Legal Officer in 2005. He assumed the additional role as Vice President of Human Resources last fall. Theis was awarded a Doctor of Jurisprudence degree in 1976 from South Texas College of Law after attending the University of Texas at Austin and the University of Dallas Graduate School of Business Management.

Trinity Industries, Inc., headquartered in Dallas, Texas, is a multi-industry company that owns a variety of market-leading businesses which provide products and services to the industrial, energy, transportation, and construction sectors. Trinity reports its financial results in five principal business segments: the Rail Group, the Railcar Leasing and Management Services Group, the Inland Barge Group, the Construction Products Group, and the Energy Equipment Group.
