### **Trinity Industries, Inc. Announces Expansion and Extension of Railcar Leasing Warehouse Facility**

DALLAS – August 8, 2007 – Trinity Industries, Inc. (NYSE:TRN) today announced that its subsidiary, Trinity Industries Leasing Company (“TILC”), has increased its non-recourse warehouse facility from \$375 million to \$400 million and extended the availability period of the facility to August, 2009. The facility provides TILC with more favorable terms, including pricing and advance rate, than the previous facility.

“We are pleased with this extension,” said William A. McWhirter, Trinity's Senior Vice President and Chief Financial Officer. “This facility has supported the growth of our internal lease fleet and will continue to provide TILC with the capital needed to sustain that growth. The new terms give us additional flexibility, which enhances our ability to offer highly attractive lease financing to our customers.”

Trinity Industries, Inc., headquartered in Dallas, Texas, is a holding company that owns a variety of market-leading businesses which provide products and services to the industrial, energy, transportation and construction sectors. Trinity reports its financial results in five principal business segments: the Rail Group, the Railcar Leasing and Management Services Group, the Inland Barge Group, the Construction Products Group, and the Energy Equipment Group.
